HALF CIRCLE Stand on MOVEABLE ROUND base

- round base plate and half circle stand is strong and sturdy
- it can be ordered with an additional 4 long stainless steel apegs that can be secured into the ground / grass / surface (additional charge)
- can be resessed OR NOT and covered with grass, tiles, wood, pebbles - so not visible
- Round base plate very flat and not in the way

- can be made in parts for ease of transport & for smaller crate size (for freight costing)
- stainless steel / galvanising recommended when made in parts
- round base plate always galvanised due to cost efficiency
